Re: Officer Robin Snider's Professional Development visit to Ukraine

Dear Chief Carpenter,

Officer Robin Snider has been selected to attend a 7 day professional development visit to Ukraine. While in Ukraine Officer Snider will learn first-hand the culture of Ukraine, the operation of Ukrainian schools, the workings of the Ukrainian judicial systems, the procedures of their government, and how civic education is taught in Ukraine.

The focus of this year's trip is to train Ukrainian police officers how to teach law-related education to students in their schools. It is the vision of the seminar in which Office Snider will be presenting to involve law enforcement with youth in a positive manner. During this training, he will be training police officers how to implement Ukraine's law course, *Live by the Rules* (based on Alabama's *Play by the Rules* program) into the classroom. His experience as a *Play by the Rules* trainer will be invaluable to the participants.

The Alabama Center for Law & Civic Education would like to thank you for your support of our programs and the involvement of Officer Robin Snider in this unique professional development opportunity. Officer Snider, and other SROs in the state of Alabama, are making a difference in our schools and ours communities.

Sincerely,
